

Eumundi Streetscape Project Upgrade: Enhancing Our Town

New and improved streetscape works are now underway on Memorial Drive, making it safer, attractive, inclusive, accessible and a more beautiful place for everyone all year round!

What's Happening

- Upgraded footpaths and safer pedestrian crossings
- Cozy outdoor seating and more shade
- New trees and landscaping
- Heritage and art features to enjoy
- Lighting, wayfinding signage and much more!

SCAN PROJECT INFO

Timeline

- Stage One: August - October 2024 (Memorial Drive between the Bank Arcade and markets courtyard, and upper terrace)
- Stage Two: Planned for early 2025 (subject to further investigations and funding)
- Estimated completion February 2025 (weather permitting).

Access During Construction

- Local businesses and the markets will remain open!
- Two-way traffic maintained on Memorial Drive
- Pedestrian and cyclist access available
- Construction will be paused over the busy Christmas-New Year period.

Parking Changes

The Eumundi business area is subject to Council regulated parking restrictions. Time limits are displayed on parking signs where applicable. During streetscape works, some on-street parking spaces will be temporarily closed, so you may experience delays.

FREE public access to one of the market day car parks is available during the Memorial Drive streetscape construction period. This arrangement, fully funded by Experience Eumundi as part of its community contributions and sponsorship initiative, has been initiated in partnership with Council to support local businesses and the community, alleviating potential parking pressures during peak season demands. Regular Experience Eumundi car parking operations will continue on market days (Wed and Sat). More information about this initiative can be obtained from Experience Eumundi by email to carparking@eumundicco.com.au

FREE Parking Availability

- **When:** Approximately 150 parking spaces are available from 6am to 6pm on non-market days (Mon, Tue, Thur, Fri and Sun).
- **Where:** Upper Eumundi Market car park near the Memorial Drive/Arundell Street/Napier Road Roundabout.
- **Access:** Enter via the boom gate on Napier Road, with a short walk through the Amphitheatre and Market Terraces Parklands to shops and the central business area.
